

2014 Annual Board Member Training for Special and Local Service Districts

This training is designed to help governing boards increase their understanding of their role, functions, and responsibilities. It is the intent of the Legislature, the Office of the Utah State Auditor, and the Utah Association of Special Districts to encourage board members to participate in this training to enhance governance and accountability of special districts. In addition, *Utah Code* 17B-1-312 requires board members to complete this training within one year of taking office.

Please review the table below to find the training nearest you. If you have any questions please contact Ryan Roberts at 801-538-1721 or ryanroberts@utah.gov.
