Dear Mr. Dougall:

I received your August 7, 2013, letter in which you address my request regarding the Public Treasurers' Investment Fund (PTIF). Somehow, I failed to communicate that my request was not limited to the results of the statewide audit.

Particularly, I am seeking any reports, management letters or other information regarding the PTIF other than the statewide audit. For instance, information from the Single Audit or otherwise.

Your help and patience is gratefully appreciated.

Sincerely,

Reginald Williams
