Cc: ndavis@utah.gov

I am making a request under the Utah Government Records Access and Management Act for copies of material I believe to be a public record. I am a journalist working to benefit the public and ask you please waive all fees associated with my request. Please provide the documents in a common electronic format when possible.

I request all documents concerning Twin City Water Works, including any existing inventory of the responsive documents.

Please contact me if you have questions or concerns. Thank you.
