

OFFICE OF THE  
**STATE AUDITOR**

Ethan Heintzelman  
Director of Data and Technology Audit

Ethan Heintzelman is the Director of Data and Technology Audit in the Office of the State Auditor. He is tasked with training Office personnel in IT audit procedures and creating a state-wide IT audit framework.

Ethan oversees stand-alone systems audits as well as IT audit support for financial and performance audits. He uses data analytics to categorize risk levels on each audit and develops VBA code to automate audit procedures.

Ethan graduated from Brigham Young University with a Bachelor's degree in Accounting, a Master's degree in Accounting, and a Minor in Information Systems. He began his career as an IT Auditor with PricewaterhouseCoopers where he became a Certified Public Accountant. He then went to work for AvalonBay as an Internal Auditor where he became a Certified Information Systems Auditor.

Ethan has a passion for creating efficiencies (inside and outside of work), playing sports, and spending time with friends/family.
