John Dougall, Auditor
State of Utah
East Office Building Ste. E310
Utah State Capitol Complex
Salt Lake City, Utah 84114

Dear Mr. Dougall:

I am writing to see if I can get some information and I hope you can help.

Please let me when the last audit was done regarding the Utah Department of Corrections. Specifically, when was the last (most recent) audit in or on the Draper prison? Was it done on the prison Medical Services unit? Food Services?

Or if, in fact, it was not done by your Department, please let me know who actually performed such audit. Would you be aware if the Department of Corrections performed an internal audit?

Any information you can provide will be greatly appreciated.

Thank you,
Louis Malek
