Notes:

The Office of the State Auditor has solicited bids from accounting firms across the state for non-audit accounting services. This list is meant to be used as a tool to help entities obtain accounting services at competitive rates from qualified firms. The above hourly rates are guaranteed by state contract.

The intent of this solicitation is to increase the quality of financial reporting for compliance and decision making while improving the independence and objectivity external auditors.

Entities are not required to use the firms listed above as there may be other competent firms that provide some or all services listed above. Entities may choose to negotiate more favorable terms than those provided. The hourly rates listed do not include travel costs and entities should inquire and understand the impact of travel before retaining any firm for non-audit accounting services. If entities desire to contract with firms for services not included on this list, they will need to follow the procurement requirements set forth in state law and their own procurement policy.
