#### LEGAL AUTHORITIES

United States Constitution as amended

Utah Constitution as amended

Utah Criminal Code as amended

UC 67-1a-15

Public Records Management Act as amended

Government Records Access Management Act as amended

#### DESCRIPTION of DOCUMENT

Copies of any and all adequate and proper documentation of the following essential transaction required under UC 63A-12-103(4) to be maintained by the chief administrative officer:

(1) notices sent by the Office of the Lieutenant Governor to the OSA with respect to the registration of the following:

(A) Logan City Municipal Corporation as a local government entity,

(B) Cache County Corporation as a local government entity,

and

(C) Utah Local Governments' Trust Corporation as a limited purpose entity.

#### BASIS FOR EXPEDITED PROCESSING AND DECISION

Because the above described documents are not published at [www.auditor.utah.gov](http://www.auditor.utah.gov), it benefits the public to receive from Linda Sienbenhaar an expedited decision that authorizes the electronic release of such documents to the public via a website or an email address.

Under UC 63G-2-201(1), I would like to inspect the above described document FREE of charge in my computer via [www.auditor.utah.gov](http://www.auditor.utah.gov) and/or my email address and make copies if I so desire.

Please acknowledge receipt so that I know when the FIVE (5)-business days statute of limitations begins to run.

Respectfully furnished,  
BRADY EAMES
