Re: GRAMA Request--Office of the State Auditor: Records Produced to Suzette Rasmussen

Dear Ms. Teerlink:

Pursuant to the Government Records Access and Management Act (“GRAMA”) Utah Code § 63G-2-101 et seq., I request the following records which are under your office’s control. This GRAMA request is for records generated or received from March 3, 2021, through the date your office begins processing this GRAMA request.

I request the following records:

1. All records actually produced to attorney Suzette Rasmussen, of the law firm Freeman Lovell, PLLC, in response to Rasmussen’s public records requests of March 3, 2021. I specifically request the records referenced in the Correspondence Index¹ associated with your March 17, 2021, response to Rasmussen.

If this request will incur a fee, please advise me of such fee before it is incurred. Given the nature of this request, no fee should be necessary. For your convenience, I am happy to accept the requested records in the same format as they were produced to Rasmussen.

Sincerely,

HUSCH BLACKWELL LLP

David A. Lopez
