DESCRIPTION OF GOVERNMENT RECORDS
(1) Any and all documentation of the OSA "*consulting*" the SRC regarding SWAP and my Appeal Req. # 2021-61, -64 and -65 to the SRC,

- (2) Any and all documentation of the OSA's final interpretations of the OPMA with respect to SWAP,
- (3) Any and all documentation of the OSA's final interpretations of the GRAMA with respect to SWAP,
- (4) Any and all documented correspondence of the OSA with the SRC in which the OSA determines or states an opinion upon the rights of SWAP to convene secret meetings, conceal from the public the minutes of such meetings, not make audio recordings of such meetings and refuse to open any and all other records of SWAP to inspection by the public,
- (5) Any and all documented correspondence of the OSA with the SRC in which the OSA determines or states that the public shall be denied notice of and attendance at the meetings of SWAP, denied inspection of the minutes of such meetings, denied audio recordings of such meetings and denied inspection of any and all other records of SWAP,
- (6) Any and all "flow charts" regarding SWAP which the State of Utah Auditor John Dougall (Auditor) or any other agent of the OSA "impressively" provided to the Executive Secretary of the SRC named Rebekkah Shaw (ES) and which are referred to in the audio recordings of the meeting of the SRC convened on July 8, 2021,

and

BASES for EXPEDITED REQUEST, RESPONSE and FEE WAIVER

(A) I believe I have the right to expeditiously and freely inspect the records described above because:

- (I) I'm a citizen of the United States, State of Utah, Cache County and Logan City,
- (II) an audio recording of the meeting of the SRC convened on June 10, 2021 reveals that the ES and the SRC agreed to consult the Auditor and the OSA regarding whether SWAP is a governmental entity,
- (III) the approved minutes of the meeting of the SRC convened on June 10, 2021 reveal that the SRC agreed that the ES shall consult the Auditor or OSA regarding whether SWAP is a governmental entity,
- (IV) the ES notified me on July 9, 2021 that SWAP is not a governmental entity because the SRC had consulted the OSA and that my Appeal Req. # 2021-61, -64 and -65 had all been denied,

and

(V) the "flow charts" or any other documents "impressively" provided to the ES and the SRC by the Auditor or any other agent of the OSA will prove to me that SWAP:

- (a) was not created by articles of incorporation or bylaws,
- (b) does not consist of two or more persons,
- (c) does not expend, disburse, or is not supported in whole or in part by tax revenue, and/or
- (d) is not vested with the authority to make decisions regarding the public's business.

Please acknowledge receipt so that I know when the statute of limitations begins to run.

Respectfully submitted,
BRADY EAMES
