

## GRAMA Request Form

**Note:** Utah Code § [63G-2-204](#) (GRAMA) requires a person making a records request furnish the governmental entity with a written request containing the requester's name, mailing address, daytime telephone number (if available); and a description of the record requested that identifies the record with reasonable specificity.

### Requester's information

Name: Andrew Scott

Address: 650 S 500 W, Suite 192

City/State/zip: Salt Lake City, UT 84101-2381

Daytime telephone number: [REDACTED]

### Request made to

Government agency or office: Office of the State Auditor East Office Building,

Address: Suite E310 Utah State Capitol Complex

City/State/zip: Salt Lake City, Utah 84114

### Records requested

**Note:** The more specific and narrow the request, the easier it will be for an agency or office to respond to the request. If you are unsure about the records' description, contact the agency or office records officer.

**Note:** Government keeps records in "series" or groups of records. To find out what series an agency or office maintains, visit the Archives' website, <http://archives.utah.gov>. The record series retention schedules on the Archives' website include relevant descriptions.

Title or series number of records (if known): \_\_\_\_\_

Description of records including all relevant information—location of event(s) described in records, city, county, address; date range of the records; names of the person(s); and subject of the request.

We would also request all written or electronic notes of staff mentioning the same items.

**Note:** If the record has a restricted access, GRAMA provides that certain individuals may still receive access.

### Considerations about the desired response

I would like to:

- View or inspect the records only
- Receive a copy of the records and pay associated fees. Please notify me if the amount will exceed \$ 500
- Receive a copy of the records and request a fee waiver. According to Utah Code § [63G-2-203](#),
  - Releasing the record primarily benefits the public
  - I am the subject, or authorized representative, of the record
  - My legal rights are directly implicated by the information of the record because \_\_\_\_\_, and I am impecunious
