Dear Mandy,

Annie Knox here with KSL. I hope your new year is off to a good start. Are you the right person to get in touch with about a GRAMA request? I'm writing with one - it's part of a sunshine story I'm working on:

I'm seeking a copy, to be transmitted digitally, of Auditor John Dougall's schedule/calendar for October, November and December 2022. As a journalist working on deadline and in the public interest, I kindly request a fee waiver and an expedited response. If you have any questions, please feel free to give me a call: (385)272-7781.

Thanks!

Annie
