

OFFICE OF THE  
STATE AUDITOR

January 29, 2024

Caroline Graham  
Democratic National Committee  
430 S. Capitol St. SE  
Washington, DC 20003

Dear Ms. Graham:

On January 23, 2024, you requested the following records:

*Pursuant to the Utah Government Records Access & Management Act, I am writing on behalf of the Democratic National Committee to request the following records in the possession of the Office of the Utah State Auditor:*

• *Copies of all emails – including attachments – exchanged between all employees in the Office of the Utah State Auditor and anybody using any of the following email domains:*

- *@eog.myflorida.com*
- *@rondesantis.com*
- *@neverbackdown.org*

*This request extends from September 1, 2023, to the present.*

Your request will likely require a large amount of time and labor, which will incur a larger fee. As permitted by Utah Code Section 63G-2-203(8)(a)(i), we will begin to process your request after we receive payment of the anticipated fee. After we fulfill the request, we will refund any excess. Likewise, we will notify you if it becomes apparent that the fee will exceed the prepaid amount. Included as a separate attachment you will find an invoice that contains payment instructions.

Alternatively, to expedite the process and reduce your costs, you may consider narrowing the scope of your request. If you are seeking specific individuals' emails that apply to the parameters you've set, you may narrow the scope accordingly.

Please let me know if you would like to narrow the scope of your request. Otherwise, we will await payment of the attached invoice and begin to process your request at that time.

Please be aware that all GRAMA requests are posted on our website as a matter of office practice (with personal information, such as address, redacted). We do this to provide transparency and accountability to the public at large.

Sincerely,

Mandy Teerlink, Records Officer  
Office of the State Auditor
