

OFFICE OF THE
STATE AUDITOR

February 26, 2024

Tom Harvey
[REDACTED]

Dear Mr. Harvey,

This letter is in response to your Government Records Access and Management Act (GRAMA) request to the Office of the State Auditor (OSA) dated January 23, 2024 in which you requested the following records:

I'm seeking all records and correspondence related to the State Auditor's investigation of the Utah League of Cities and Towns (audit issued in January of 2017) and the subsequent OSA investigation of the Utah Municipal Finance Cooperative (aka Utah Municipal Finance Agency), the Utah Municipal Finance Cooperative II and the Utah Municipal Finance Cooperative II Trust. Please include any interoffice communication about the audit and investigations. Please specifically list any records that are considered privileged under GRAMA or attorney/client privilege. Also, I would like the results of this GRAMA request to come in electronic form .

I mentioned in my previous letter that we would notify you if fees exceeded the invoiced amount. Due to the time required to search for and organize the responsive records, the fee will increase from the previously invoiced amount. Attached please find an invoice for the excess. We will provide all public responsive records to you upon receipt of this additional amount.

Sincerely,

Mandy Teerlink, Records Officer
Office of the State Auditor
